Dear Mr. Casey:

In your letter of October 19, 1984 to Mr. Oettinger, commenting on Major Rowell's draft report "Arms Control Verification: A Guide to Policy Issues for the 1980s" you asked that we send you several copies once the report has been printed.

Enclosed are five copies. Please let us know if you need more copies and we shall be glad to make appropriate arrangements.

Thank you again for reviewing the draft.

Sincerely,
